ECE Soldering Workshop

Come join Electrical and Computer Engineering (ECE) students for an afternoon of hands-on electronics fun!

When: April 6, 2022

Time: 3:00 PM – 5:00 PM

Location: Arts and Science Building

Room: AS-140S

Organizers:

Austin Schaibley
Sophomore Computer Engineering Major
ECaMS Maker Lab Assistant
Lewis Robotics Club President

Brindyn Schultz
Sophomore Computer Engineering &
    Computer Science Double Major
ECaMS Engineering Assistant
Lewis IEEE Club President
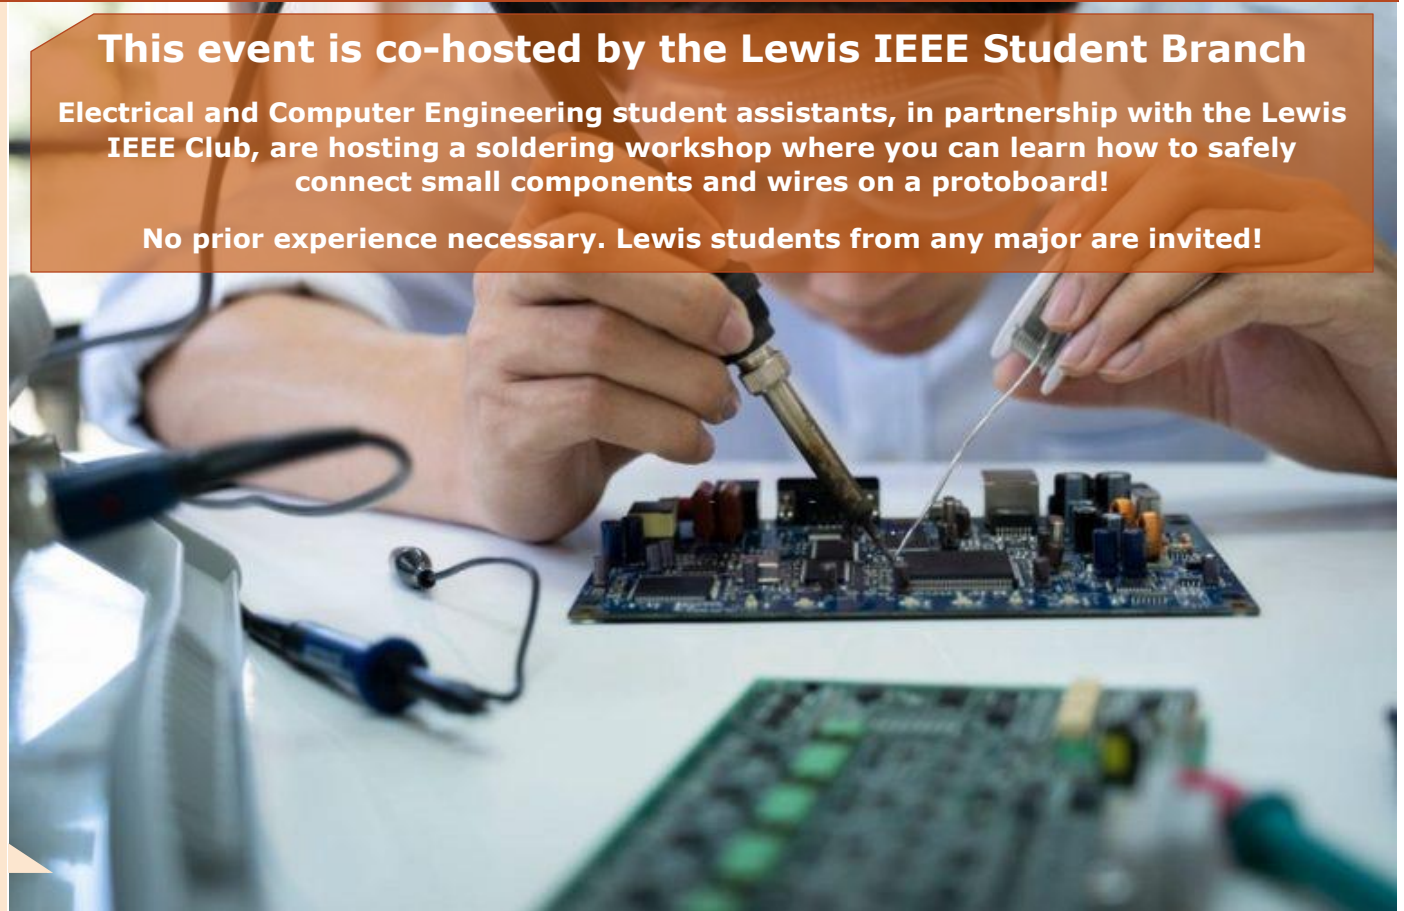

Erick Martinez-Zepeda
Sophomore Computer Engineering Major
ECaMS Maker Lab Assistant

Please contact Dr. Gina Martinez
(martingi@lewisu.edu) for questions.

This event is co-hosted by the Lewis IEEE Student Branch

Electrical and Computer Engineering student assistants, in partnership with the Lewis IEEE Club, are hosting a soldering workshop where you can learn how to safely connect small components and wires on a protoboard!

No prior experience necessary. Lewis students from any major are invited!

Space is limited, RSVP now!

To reserve your seat, register at
